Midwest Living magazine welcomes you to Valley Cottage

The *Midwest Living* 2003 Idea Home is a unique fusion of traditional design and contemporary function. Inspired by the Midwestern farmhouse, this spacious home incorporates all of the modern features desired by today's families, yet exudes a warm, nostalgic feeling of home through updated common spaces, such as the family studio above the garage. Valley Cottage was constructed using state-of-the-art building materials and appliances, to provide its occupants with security, comfort and efficiency.
