FLOWER CHILD

WEAR Green dress and green tights

MAKE Flower petal collar

WHAT TO DO

Cut a 1½-inch-wide **yellow ribbon** to your child's collar size, plus several inches. Fold it in half lengthwise, iron to create the center, then open. Using the template, cut out 12 **pink felt** petals and **glue** them to the ribbon. Place bottoms at the crease and stagger in alternating directions (one up, one down). Once dry, fold lengthwise and tie on at collar.
